0 of 0 people found the following review helpful. Excellent Source of information!By Tristen OpalMy father loaned me a copy of this when I got my dog, a walker coonhound. I refer to it for any and all ailments she has experienced and I literally never take her to the vet except for necessary vaccines and once for a special descaling shampoo. I even helped a friend delivers litter of 9 puppies and administer their shots with the information provided in this book. Very informative with pictures. A must have for any dog owner who knows that trips to the vet are generally just a waste of money. I had to give my father back his copy so I immediately ordered a new one for myself! Helped me greatly in the first few years of my dogs happy and healthy life!0 of 0 people found the following review helpful. "The best book of its kind in print! A Masterpiece in the field of dog care.... Mercifully clear and readable. If you own a dog and love it, you must keep a copy on your handy reference shelf!" ?Mordecai Siegal, President of the Dog Writers Association of America and author of over 20 books on dogs and other animals. "Will more than pay for itself! Compared with similar books, this is the most beneficial ever published! All-encompassing and so inviting to use?Accurate, reliable, up-to-the-minute, intelligent and explicit.... This book will more than pay for itself with the very first dog health problem you may encounter and solve yourself. And I'll sign my name to that!" ?Alfons Ertelt, Chief Tester, American Temperament Test Society "A Must for any dog owner!" ?The American Field "Useful for any dog owner, indispensable for kennel owners?. Offers comprehensive, up-to-date, well-organized information on every phase of health care for dogs." ?Publisher's Weekly "Buy It! You can't afford to be without this one!...I must have ten books on home veterinary care now?Forget Them! This one is complete, well and simply written, profusely illustrated, and wonder of wonders, it's well-indexed?in three ways, yet!" ?Ilio A Howell Dog Book of
